Hi Amy,

My friend and neighbor, Jeremy Miller, has been keeping me abreast of the plans for 2722 Portland Avenue.

I have no problem with the proposed plans and am excited to see the property restored and occupied once again. I understand that the construction process could mean that the work takes place close to, or even on, my property, but we're all pretty friendly around here and I don't mind at all.

Thank you for your thoughtfulness and professionalism throughout this process.

Warmest regards,

Caleb
