I just had a conversation with Mr Sermersheim about the estimate and he stated that he could cut the twice a month maintenance to once a month which would save us about \$800.00 bring the total down to \$2,491.00 which sounds better , so would you still accept those funds . Thank you C

This does seem a little higher than I would like for the size of the site. I'd be happy to get a second opinion for you from my regular vendor. It'll be after the holiday.
