Dear Councilmembers,

I am writing on behalf of Southwest Community Ministries to request your support for the SWCM Giving Back teacher event!

Southwest Community Ministries noticed years ago that the cost of even basic school supplies often left families who could make it paycheck to paycheck in need of assistance with their housing/utility bills. That is when our Backpack program was established, and we started supporting the students in our community with a new backpack and back-to-school supplies. We go out of our way to make sure that they have a choice of backpack and pencil pouches to maintain some personality and dignity.

While we will always support the students of our community with this program we are seeing an increased need from the teachers in our community. Many teachers have to personally purchase many of the items that go in their classrooms. Many teachers are supplementing for the students who don't live in our service area, whose parents were too prideful to ask, or who didn't know there were resources available. This financial burden often leaves them short on their expenses. With your assistance, we know that supplying some of the basic supplies will afford the teachers of Southwest Louisville a hand-up when they need it the most.

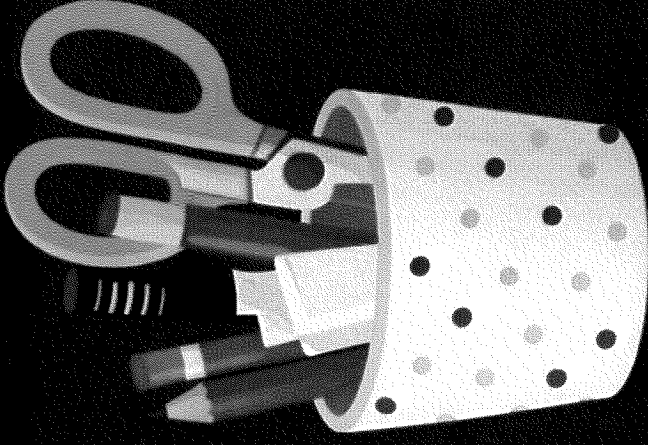

Our goal this year is to raise \$5,000 to provide additional support to the teachers. We hope that you will consider contributing to help us make this goal possible.

We thank you in advance for your participation.
