Councilman Piagentini and Councilman Herndon,
I have been informed that you both should be the sponsors for this rather than Councilman Owen. I will get that changed, unless I hear otherwise from either of you.

Also, the attached proposed amendment language was attached in the system today but no one was there to discuss it so this item was moved to Old Business so it can be discussed on the Council floor on 6/25. I'm copying JCAO also, as they were not sure where this language was intended to be added. Please follow up with Travis or Laura.

Thanks,
Sonya

Can you add this to the record for now?

Let me know if you have any questions.
