The request is for one camera not two. They only have one way in and one way out so there is absolutely no need for a second camera. Can you have them revise and send a proper quote with one camera?

Jennifer,

Can you please have flock send an estimate for the installation of one flock camera at the proposed location of Grand Lakes Dr and Rehl Road? We will agree to fund the camera for the one-time standard two-year subscription plan plus the cost of installation. At the end of the two-year subscription the Grand Lakes HOA will have the option to extend the subscription with flock if they so choose. They further understand for the period of this subscription that LMPD ONLY will have direct access to camera footage.
