

Dale J. Boden is President of B F Capital, Inc., a Louisville-based private investment firm that primarily invests in real estate, private equity and early-stage or special situation growth companies where it can provide equity capital and management assistance. Since its founding in 1993, B F Capital, Inc. has been an active investor in the Kentucky venture capital and private equity sectors as well as the local real estate market.

Mr. Boden has served on the boards of several private and publicly traded companies in varying capacities including Audit and Compensation Committee Chair, Lead Director and non-executive Chairman of the Board. Mr. Boden has a broad background in Corporate Development, M&A, Corporate Finance and General Management.

Mr. Boden currently serves on the board of directors of several private companies. He has served on numerous community boards and is one of the Founders of Gilda's Club Louisville. He currently serves on the James Graham Brown Cancer Center Board of Directors (Vice-Chairman), the Board of Advisors to the University of Louisville's College of Business, The University of Louisville President's Council and the Board of Directors of the Louisville Regional Airport Authority (Chairman).

He is married with 3 children.
