

May 8, 2026

Dear Andrew,

Congratulations! I am pleased to inform you that Louisville-Jefferson County Metro has been selected to receive \$5,000 from USTA Kentucky and the Raise a Racquet Foundation facility grant program for the new construction/resurfacing of the (10) 78' outdoor tennis courts at Seneca Park!

The grant funds will be distributed when the project is complete, and the accountability form is returned and approved by USTA National. We will be notified by USTA as to when we can distribute the Kentucky funds, dependent upon the accountability form they receive.

USTA Kentucky hopes you use this opportunity to publicize your facility and tennis in your community. We would like to celebrate the announcement with you. Maddie Henning, Senior Manager of Marketing & Community Engagement, will be reaching out to you.

A goal of the grant is to provide communities access to safe, appealing, and functional tennis environments, and we are happy to partner with Louisville-Jefferson County Metro to help achieve this goal in Seneca Park. The essence of this initiative is to assist communities, leveraging their tennis facilities to promote lifelong healthy activity, and to improve their programming by advancing the latest tennis innovations for all program types.

Thank you for your efforts to promote the game of tennis in your community.

Sincerely,

A handwritten signature in black ink, appearing to read "J Miller".
