Metro311,

Please provide us with an update on the sidewalk repair at 5720 Moser Farm Road. We are learning from the resident that this was reported two years ago. The case has been closed, but the repair has not been made. Please tell us more about this situation.

Thierry,

Could you look into this location and tell us more about the report and the repair work at 5720 Moser Farm Road? From the picture it looks like this is the curb of the driveway apron.

Regards,
