Explanation of Interest

Safer pedestrian and bicycle infrastructure is a topic that I'm passionate about. In the past, I've helped identify pedestrian-infrastructure gaps for our Metro Council, which led to some meaningful improvements in our community. I helped identify a need to install a crosswalk and new sidewalk at Moser & Florian, which councilwoman Marilyn Parker funded. I identified a need for painted sidewalks on Whetstone Way and submitted a request to Jeffersontown Public Works, and they made this change. I worked with councilman Kevin Kramer to install a sidewalk connecting two neighborhoods between Bunsen Pkwy and Hurstbourne Acres. I also regularly call in to the Vision Zero meetings.
