Regards to: CUP Pre-Application for, 5125 Emery Ave. Louisville KY, 40214

Hello, my name is Johnathan Lun, and I currently reside in the state of California. I recently purchased a single family residence located at 5125 Emery Ave. Louisville KY, 40214 with a closing date of 09-22-2022. This property is a three bedroom, one bath, two-story residence with a square footage of 1,375 and a lot size of 3,920 Sq. Ft.

My intention for this property is to be able to utilize it as a Short Term Rental. However, I will only utilize two bedrooms equipped with a King size bed in each room. The third bedroom will be turned into an office with a workstation. I will only allow up to four persons for each booking. I believe this is ideal in order to be respectful to my neighbors. In doing so, I am committed to beautifying the property as well as handling all my tax payments to the city in a timely and responsible manner.

I hope and pray that this venture will come to fruition and look forward to moving to Kentucky within five years.

Sincerely,

Johnathan Lun

Letter of Explanation

To whom it may concern:

Jonathan Lun, owner & law enforcement worker of 5125 Emery Ave. Louisville, KY 40214, purchased hoping to stay in Louisville, but unfortunately, work requirements are forcing him into a position to relocate for 10-14 months or more. Due to this change, a CUP application would be most suitable to allow him to keep his home and short term rent until he returns but also be a benefit to local businesses as well.

This is a single-family residence with 3 bedrooms and 1 bath. Only 2 bedrooms will be used. Max guests would be 4. The entire residence would be used. And there is a parking pad directly in front of the property to allow 2 car spaces.

Please consider a full approval for conditional use.

Thank you,
Johnathan Lun

SUMMARY OF NEIGHBORHOOD MEETING 5125 EMERY AVE. LOUISVILLE, KY
40214

Meeting took place at 5125 Emery Ave Louisville, KY 40214 on Wednesday, November 9th, 2022 after 7:30pm. Owner is Johnathan Lun. He is now a local resident as of a month ago. He is a government official and travels often.

Metro Council woman, Nicole George along with Ann Ramser attended the meeting.

We were asked about purpose of use, occupation, if neighbors knew about it and had a way to contact owner along with questions about noise monitoring.

The majority of neighbors did speak with owner several times and he introduced himself to them and provided his contact info. He even employed the neighbor across the street to clean for him on his behalf. Her male relative was questioned by both attendees about the owner and he was intimidated and thought he was in trouble and answered that he did not know him. But when I (MyLee Corona), approached him and asked him about it, he said his aunt who he lives with cleans for the owner of 5125 Emery Ave. My own father-in-law is buying next door to this home and has no issues with it. The other adjoining neighbors also were not opposed to it after being informed of the use of this property as an air bnb. Johnathan, the owner, is looking into noise monitoring as well. He will be installing it soon. He also has a digital list of local businesses, restaurants, etc.

Ann Ramser made it very clear she was biased against air bnb and believed that air Bnb's are the sole responsibility for the rise of the housing market. I asked her if she would be willing to provide statistics to why she came up with this opinion and bias and she could not provide it but she was willing to continue to be opinionated on an idea not backed by any facts or statistics. She just wanted to make it known she was not for it and wanted to be sure that local businesses were supported-which they are and will be with this listing.

There were no other attendees. I stayed until 9pm.

Sincerely,
MyLee Corona, representative and good friend of Johnathan Lun.
