**Greater Galilee Church Parking Lot  
4000 W Broadway 40211  
Conditional use Permit Application**

To Whom It May Concern,

Greater Galilee Church received approval for a parking lot adjacent to the church facility to serve its members during church hours and event in November of 2022. The plan received several waivers and a variance for setbacks and buffer requirements. The church wishes to extend the parking lot an additional 5' towards S 40<sup>th</sup> Street to maximize pavement areas to better accommodate its secondary use as a basketball facility for the neighborhood and the church childcare program when church is not in session. The parking lot will include 13 parking spaces. An encroachment of 3' for the parking lot is proposed into the required VUA LBA on S 40<sup>th</sup> Street. However, the masonry wall that was approved to be waived will now be provided in lieu of picket fence and shrub row. The church previously filed a CUP pre-application and held a meeting with only two attendees, so another neighborhood meeting was not held for this minor change.
