I Would Rather Be Reading aims to provide a quarterly Family Night for the Read to Lead Parkhill program, housed in the Parkhill Community Center. The first event will be in March 2023. This event will bring families together for a meal, family friendly crafts and activities, and will provide registration information for our summer programming. There are 25 students enrolled and IWRBR aims to provide meals for an additional 2 family members per child (and 5 staff members)- for a total of 80 people.

Good afternoon,

I am glad the situation was resolved.

Shalanna, prior to submitting future Metro Parks' Community Center programming projects/programs appropriation packets to the Clerk's office, please ensure you have consulted with Mr. Johnson about those projects/programs. Also, Mr. Johnson's name needs to be recorded as the agency contact (program/project manager) on the Community Centers' NDF/CIF Agency Request forms unless he provides a designee name. Pretty much anything else relating to Metro Parks can go through Jason. Thank you.

Sonya, please leave the appropriation item on the 3/23/23 Budget and Appropriations Committee agenda. Also, please revised the Agency Request form to reflect NDF Agency Request at the top on page 1 along with removing Andrea's name and adding Ben Johnson's name and phone number as the agency contact. Thank you.

Ben –

I understand. I may have appropriated the funds a different way in the past, but yes, this is the method we use to sponsor family events at most of our D6 community centers. Sorry for any confusion, and thanks to everyone who helped clear it up.

Shalanna –

I was confused because I hadn't heard anything about this before Latonya called. I thought D6 had provided support for them before that didn't go through us.

Typically, we get a call about an appropriation, how much it is and who / what it's for so there's no confusion.

They've been a great partner; I have no problem accepting the funds. Do you know when they plan to have the event and if it is more than one?

Good afternoon,

Sorry, I left you a voice message today and yesterday but you may be out of the office.

Per my discussion with Director Johnson yesterday, the I Would Rather Be Reading organization is not a Metro Parks event. However, Metro Parks does agree to let the organization use its site location for the program, similar to other organizations throughout Louisville. The NDF funds need to be paid directly to the I Would Rather Be Reading organization.

Please have I Would Rather Be Reading complete the NDF application and submit the required supporting documentation, similar to NDF030922IWRBR06. Thank you.

If I worded the request incorrectly please let me know. We appropriated funds for iWRBR programming at the Parkhill community center in FY23 budget, in case we need to use that language....

LaTonya, please see the attached packet. I've not seen one of these NDFs for funding to I Would Rather Be Reading go to Metro Parks. My question is, should this be considered funding for I Would Rather Be Reading that is being accepted through Metro Parks? As in:

APPROPRIATING \$1,200 FROM DISTRICT 6 NEIGHBORHOOD
DEVELOPMENT FUNDS, THROUGH METRO PARKS, TO I WOULD RATHER BE

READING FOR FREE FAMILY NIGHT EVENTS AT THE PARKHILL
COMMUNITY CENTER.

Would the description on the first page also need to be amended to
include the information about the funds going to IWRBR?

Thanks,
Sonya
