Re: Proposed Multi-Purpose Building
Life of Faith Church
14200 Spegal Lane
Tax Block 47; Lot No. 276

Gentlemen:

The proposed site is currently occupied by the existing Life of Faith Church facilities. The site is zoned R-4 in the Neighborhood Form District. To better serve their families and members and the need for additional facilities, the Church is requesting approval for a new Multi-Purpose building and associated access/parking area. Because this is a Church and is considered an Institution in the Land Development Code, a Conditional Use Permit (CUP) is required. The attached Conditional Use Permit (CUP) Plan indicates location of the proposed Multi-Purpose Building and access/parking area.

If you should have any questions or comments concerning the CUP Plan or the project in general, please do not hesitate to contact us. Otherwise, we look forward to working with the Metro Planning and Design Services staff to discuss the project.

Thank you for your consideration.

Sincerely,

Marv A. Blomquist, P.E.
