Thierry,

Scott has asked me to move this sidewalk repair at 9519 Norton Commons forward with CIF funding. Will Public Works accept the funds once allocated and is the price of \$11,513.89 still accurate?

Regards,

Jared Townes

Jared,

Based on the inspection notes below, this sidewalk would be the best candidate for the full depth replacement as it's rated 5. Which mean the sidewalk vertical displacement is over 2 inches. Beveling method is utilized on sidewalks with vertical displacement less than 2 inches.

Address	Request Date	Rating	Record ID	Council District	Repair Estimate	Comments
9519 NORTON COMMONS BLVD	9/9/24	5	24ENG-02796	16	\$11,513.89	Inspection location effect

Best,

Thierry Muhanuka, Engineer - Sidewalk Coordinator

Jerry,

Thank you for sending me your video of the sidewalk panels in front of your house. This message is in follow up to our phone conversations last Friday. I am connecting your questions to Thierry Muhanuka he is our sidewalk engineer with Public Works.

Thierry,

I believe these sidewalk panels will be addressed by our sidewalk beveling project. Would you be able to let us know whether beveling will be enough or if we will need to look into full depth repair in an upcoming budget?

Metro311,

Please give this request a service number and ask Public Works to review the sidewalk panels near 9519 Norton Commons Blvd.

Regards,

Jared Townes
