MEMO TO: Louisville Metro Council

FROM: Angela Dunn, Aaron Jackson

SUBJECT: Fiscal Impact of City of Glenview Proposed Annexation of Twenty-six Properties on Orion Road

DATE: April 30, 2026

This response is related to the request from the Louisville Metro Council Clerk dated April 16, 2026, to the Office of Management and Budget regarding the fiscal impact on Metro Louisville Government revenues from the proposed annexation of Orion Road east of Lime Kiln Lane encompassing twenty-four upscale housing units with an estimated average 2026 taxable assessment of \$1,120,000 and a population of 60 by the Home Rule suburban city of Glenview.

Metro Louisville stands to lose approximately \$15,100 annually in 2026 dollars of Insurance Premium Taxes from this proposed annexation of Orion Road east of Lime Kiln Lane which includes twenty-four upscale housing units along with two undeveloped lots by the City of Glenview. In addition, Metro Louisville stands to lose approximately \$1090 annually in 2026 dollars of State Municipal Road Aid Revenue which is based upon decennial census population counts. This analysis is based upon the 2020 U S Census Bureau estimates along with information contained in some local Home Rule suburban city Comprehensive Annual Financial Reports.

In addition, some amounts of population formula-based Federal and State grant funds would be lost going forward.
