SERVICES

This sketch is a true representation of the conditions that were found on the date listed below. This Site Plan is prepared for identification purposes only. It does not constitute a boundary survey and is not intended for land transfer. It is subject to any inaccuracies that a subsequent boundary survey may disclose. No property corners have been set. The information shown on this sketch should not be used to establish any fences, structures or other improvements. The linear and angular values shown hereon are based on record information and have not been verified unless otherwise noted.
