Molly,

I do not see the application for a CUP short term rental in Accela.

I clicked on related records and the cuppa file was not listed.

The deed in Accela indicates the property is owned by GV Capital Investments LLC, but letters to neighbors identify VAS Properties LLC as the entity submitting a CUP. What entity is applying for the CUP. This just does not make sense. If the correct entity was not provided to neighbors, how will neighbors know to contact the correct entity.

Thank you.
