00:27:20.969 --> 00:27:40.969

Hello, thank you all. Just a little bit of information about this. So in 2014, the city declared most of Otter Creek Park property surplus, so that it could be transferred to the state fish and wildlife. The resolution and the transfer did not include the small lesson.

10 "Harward, Sonya" (3637424384)

00:27:40.969 --> 00:27:58.409

And three acre parcel for the former residential waste landfill.

Basically this will complete the final transfer of meet County property away from Jeffson County into Meet County and the judge executive there, they're eager to take this over and.

00:27:58.409 --> 00:28:17.519

Continue with the operation there. Thank you for that summary. Do we have any conversation? Any questions? Comments? We are now being joined online by council Woman Jennifer Chapel and I failed to mention that I am your vice chair.

12 "Harward, Sonya" (3637424384)

00:28:17.519 --> 00:28:37.519

Council wanted to Paula McCraney. Would there be NO discussion, all those in favor for the resolution, they are, all those opposed, say NO, guys, have it, the resolution passes and ladies and gentlemen, that's the only thing on the agenda today unless.

13 "Harward, Sonya" (3637424384)

00:28:37.519 --> 00:28:56.939

If there are questions, we are duly adjourned.
