815 Samoa Way - Garage Rendering

719 Homestead Garage is shown as an example of what to expect

- 3D Shingles – Matching 815 Samoa Way Roof
- Aluminum Trim and gutters on exterior wood
- Brick Exterior to match 815 Samoa Way Brick
- Garage Height not determined since I am waiting on Variance to be approved before I select a garage contractor.
- Garage will be a one level garage with standard attic space created by pitch of the roof
