RECEIVED

Provide evidence proving each of the following:

MAY 01 2023

The use lawfully existed on the property prior to adoption, or amendment, of the zoning regulation that makes the use nonconforming:

It is conforming as stated above. We will provide a letter from the previous owner, who operated the building as a beauty salon for the last 22 years. Provided is a picture of the building when it was first built as a barber shop, and now a beauty salon.

The use existed continuously on the property since the time it became nonconforming, without an interruption of more than twelve (12) consecutive months:

The use of this building has continuously been used as a beauty salon since the time it was built, in 1983. This will remain conforming without interruption when we begin new operation as a beauty salon with a focus on nails.

The use has not been expanded, or relocated, on the property since the adoption of the zoning regulation that makes it nonconforming:

The use of this building as a beauty salon has never been expanded, or relocated, on the property since the adoption of the zoning regulations. Thus, the intended use as a salon will be conforming from the time it was built without interruption.

We intend to continue as a beauty salon focusing on nails

I Roberta Vittito purchased 1216 Belmor Drive in 2001. It was operating as a beauty salon when I purchased it from David Key. The salon was Belovely. Before that David Key bought it from Pearl Peyton and it was a small business. I sold to Nicky (KY NAILS) to use as a salon, that specialize in nail care. It has always been a small business, that served the Camp Taylor neighbors. I live in Camp Taylor and look forward to the salon to serve my community.

Thanks,
Roberta Vittito

Good afternoon,

I have attached both the nonconforming rights and zoning confirmation applications for you to take a look at. Again, the property is currently zoned R-5

23-NDNCONFORM-0014

which does not permit the salon unless it is a home occupation which requires you to live at the site. You can contact Ian Sexton about questions you have on the nonconforming rights application. He tends to handle these cases so he may be able to provide you with resources. His number is 502-574-8219. Let me know if you have any additional questions.
