00:05:51.229 --> 00:06:10.109
Let me see what number you are. You see, I talked to people on the phone and I do the same thing, Yes number ten. Okay, but there's some things before we start.

9 "Harward, Sonya" (638000896)
00:06:10.109 --> 00:06:27.239
Just one day. Okay. So what happens is I come to the podium and I present information on your behalf. Okay. And I'll say Miss Sullivan is here in the audience, she'll meet, come to meet you guys. You'll come.

10 "Harward, Sonya" (638000896)

Here and you'll just say and they'll say that your name for the record you will repeat, you'll say your name and just say thank you for considering My question, but if they do.

11 "Harward, Sonya" (638000896)
00:06:44.729 --> 00:07:04.729
I Don't nothing. Really what they like to see who their appointed is the exercise right so whether if they ask you something specifically you can.

12 "Harward, Sonya" (638000896)

00:07:04.729 --> 00:07:27.679

So you literally just live in this tag and it's all salt. I mean they're only about this deep, but there's so much salt in the water and you've closed in argument. So they have some of the places around town have like little pops that you're kind of closed in this place it's all rooms, so.

17 "Harward, Sonya" (638000896)

00:08:33.139 --> 00:09:01.679

Yeah you know where the door is the whole time if you wanna turn the light on, there's a button right there to turn it on so I was like, I feel like the room is the way to go. I would have just been very aware I was in. It's easy.

18 "Harward, Sonya" (638000896)

00:09:21.679 --> 00:09:42.419

64 "Harward, Sonya" (638000896)

00:27:57.699 --> 00:28:20.059

The Road Overlay district board. So the Alpha Jackson Mayor Greenberg's office, so the bar Bargetown Road Overlay district board consists of eight members and when someone wants to do some type of construction or something in that area, this board looks at the plans.

65 "Harward, Sonya" (638000896)

00:28:20.059 --> 00:28:38.099

They work with, those that are seeking to do some type of work and they come to some kind of development and they work with that person or that company and they advise on it.

66 "Harward, Sonya" (638000896)

00:28:38.099 --> 00:28:58.099

We, and this board, they have to, there are specific, you know, I always talk about some, there are specific roles on some of our board like they have to have architects, they have to have business owners, that's that's what this board consists of. So, can you tell me the radius that this covers?

67 "Harward, Sonya" (638000896)

00:28:58.099 --> 00:29:15.419

Ooh, it's the the entire, the district, hold on 1 s, let me get. I didn't know you were gonna ask me that, but hold on, let me find it. It should be a map. Oh hold on.

68 "Harward, Sonya" (638000896)

If i'm re if I'm remembering correctly. Yeah, I think so. It is.

69 "Harward, Sonya" (638000896)

00:29:35.419 --> 00:29:52.529

Also goes into Nelson County another county, so I just, even though I know we wouldn't go outside of Jefferson county, I just want to know the radius of this.

70 "Harward, Sonya" (638000896)

00:29:52.529 --> 00:30:12.529

Just I'll have to get that for you because I don't have that readily available. But I can get that for you. Okay. Let me recognize at this time we've been joining chambers by councilman Reed. And so what we're going to do because we have five appointments for the Boystown road overlaid.

71 "Harward, Sonya" (638000896)

The district board, we're going to do the five together so I like to get make a motion. Okay.

72 "Harward, Sonya" (638000896)

00:30:34.409 --> 00:30:56.329

00:34:07.459 --> 00:34:12.059
Her introduce herself.

Sorry. She wanted to know, are they planning to do any development or are they developers? Neither, because that's not what this board is about. They work with those that are developing in, that's what the ordinance says. They work with the developers. Okay.

94 "Tammy Hawkins" (748950528)
00:36:00.315 --> 00:36:07.757
Yes, I get it. I just wanted to get that cleared. Okay. Okay. All right.
