Re: #ENF-ZON-21-000340-12 Visit #12

I received a violation notice stating that I was in violation of:

- 1) Not submitting a Certificate of Appropriateness for exterior alterations for concrete work completed on the front and backside of the house
- 2) Not submitting a COA for the front entry door

I'm attaching a few documents and pictures to show that I was not the owner of the property when the concrete and front door were installed to the home. I closed on this house on November 21, 2022. I've attached the Deed and pictures from Google photos that show photos of the front door and concrete as of October 2022. Please advise on next steps as I believe I should not be held accountable for actions held by previous owner.
